

**WCA MEDIATION SEMINAR**

**“THE SINGAPORE MEDIATION  
CONVENTION:  
THE FUTURE AND THE ISSUES”**

Zoom Meeting: **28 July 2021, 5.30pm – 6.30pm**

Chair: **The Master, Margaret Bickford-Smith QC**

Speakers: **Jonathan Lux**

**Lee Wai-Pong**

We are delighted, and most grateful, to bring you what promises to be a session of real interest devoted to the Singapore Mediation Convention.

Our two speakers, experienced in maritime and international commercial litigation and mediation, will seek to give a balance and perspective to this topic which should be of real assistance to those seeking further understanding and practical information about it.

Please note that for logistical reasons the part of the session which was previously advertised to cover evaluative/ facilitative mediation will now proceed as a separate debate later in the year.

This session will take the form of a series of questions put by the Chair to our two speakers.
